**PROPOSED RULE**

**2. IM24CA International Measurer (one person)**

The International Measurer (IM) for the event shall be appointed by the IM24CA. The IM will assist the Event Chief Equipment Inspector measure the equipment on registration according to the class rules. The IM will have the authority responsible for interpreting the class rules as per RRS 64.3(b). The IM shall receive:

- o ~~Their professional fees for attending the regatta (to be agreed in advance)~~

**Reason**

The International Measurer must attend the event on voluntary basis like all other officials involved in the event. Even a chance to ask for fee is unfair in respect to all other persons working inside the event. An additional unnecessary cost for the OA.
