

Report of the Austrian *Melges24* Class Association 2020

As everywhere 2020 was a very challenging year for sailing activities.

At the beginning of the season all Yard Clubs were locked due to Covid-19 and sailing came back to the lakes in May/June. Travel restrictions also had an impact on our activities.

Nevertheless, we could organize 2 regattas at Wolfgangsee and Attersee.

Attersee was clearly the highlight of the season with 14 boats on the starting line > 8 boats from Austria, 5 boats from Germany, 1 boat from Italy.

This year we had 8 boats actively racing and we expect a further positive development of the class in Austria.

We keep moving and sailing...

Best regards,
Michael
