

Hungarian Melges 24 Class Association report

In 2020 Hungarian Melges Class counted 7 active teams with International Melges Class membership.

Due to COVID pandemic situation only 1 Hungarian boats competed at two ESS events.

This team planed to participate all ESS races but the Hungarian borders were closed in September, so they wasn't able to travel to the events.

The main competitions in 2020:

We had 4 ranking events at Lake Balaton to promote the class locally. We had our Hungarian Championship in Balatonfüred in August with 7 entries.

Statistics of the **European Sailing Series/Italian series**
Torbole, Lake Garda, 2 events: 1 Hungarian participant

This year was completely unusual. We think that after a challenging year like 2020 was, the fleet will show interest in racing for the upcoming season, and we really hope that the circumstances won't force us to cancel events in the future.

Hungarian Class Association is open to play host to one of the ESS venues at Lake Balaton, ideally in spring or autumn.
