

Hungarian Melges 24 Class Association report

In 2021 Hungarian Melges Class counted 8 boats.

Due to COVID pandemic situation only 1 Hungarian team competed at ESS events. HUN589 and HUN759 participated in the European Championship.

We had 3 regattas at Lake Balaton to promote the class locally. Each regatta was organized by different sailing clubs along the lake with the participation of 5 teams.

The class had the Hungarian Championship in August with 8 entries.

Unfortunately even 2021 was an unusual year due to COVID. It is still quite difficult to stabilize the size of the fleet.

Hungarian Class Association is open that Hungary (Lake Balaton) play host to the European Championship for 2022.

We really hope that after these challenging years, the fleet will show interest in racing for the upcoming season.
