## Slovenian Melges 24 Class Association report 2022

### Statistics:

- 3 x full member
- 4 boats in Slovenia

### Review of 2022:

- SLO 564 competed in European Series events on Garda and in Trieste. It actively competed in the local Melges regattas of the Adria Cup in Trieste scoring also two third places. In October it competed also at the European ORC Sportboat championship, finishing 4th in the Corinthian group.

-SLO 753 competed in European Series event in Rovinj (Croatia), and on few other events in Slovenia and Croatia.

### Traces from 2021

- Together with Yacht Club Marina Portorož, was in September organized European Championship 2021. 40 boats, from 14 different nations were competing.

The Club the marina and we are satisfied and proud, that despite all the difficulties, we managed to hold the championship at a very high level.

And finally, Marina Portoroz said, "we want more events like this". So, the venue is again ready for us, in the future!

YC Marina Portoroz, Marina Portoroz, and SIM24CA are happy to be candidates for the World Championship 2025.
