

Report of the Austrian *Melges24* Class Association 2023

2023 was an exciting sailing year for the Austrian Melges24 fleet, especially in the first half of the season.

In May Segelclub Kammersee at Attersee hosted the Melges 24 Austrian Championships with 9 boats on the starting line with a tight race between AUT502 of Michael Luschan and AUT716 of Michael Schineis.

After switching places 1 and 2 in all races at the end Michael Luschan succeeded to win the title by winning the last race.

In the World Championships the following boats of the Austrian fleet were representing the Austrian class: Michael Luschan and his team (AUT502), Rene Noack and his team (AUT609) and Michael Schineis with his crew (AUT716).

Today we have 9 full members in our class with a few newcomers for the season 2024 in the starting block.
