According to the IM24CA Constitution, motions, amendments, and nominations for the AGM shall be proposed only by the Executive Committee, NCA's, the Technical Committee, and World Sailing and must reach the International Secretary not less than eight (8) weeks before the officially announced date of the meeting. Only the motions, amendments, and nominations on the Agenda and its attachment/s shall be voted upon. To allow this process to function smoothly, each Submission should adhere to the following guidelines:

- The Submission shall clearly state the current position, the proposal for a change (clearly stating the rule), and the rationale behind this change.
- The Submission should be written to relate to any IM24CA documents or topics, as listed below.
- Wherever possible, each submission should contain wording for the proposed new rules.

Nominate Michael Tarabochia to the newly created Member World position

Reason

From Michael: I am interested in sailing with my team for a few more years in a growing, large class. I love the boat and I chose it myself. I have no intention of switching to another class. In order to fulfill this wish, it is essential that I get involved if necessary. I believe that anyone who is interested can take on a role. Mine would be to support the class in Europe at events and to try to work in the interests of all sailors in Europe and those who will come from overseas here. From Laura: The proposal to add a 'Member World' was a recognition of not having representation from asia pacific, but also that we need more people on the Executive Committee to accomplish the work of the class. Michael has worked tirelessly every year to make sure we have a sensical and viable ESS. It'd be a wonderful positive for him to continue supporting the class.
