Swiss National Class Report 2025

For 2025 the **Swiss Melges 24 Class Association SMCA** still based on weak membership figures. In the national class, there is actually just one single Swiss boat sailing on international level and with full memberships to IMCA. There are also a few boats registered in Switzerland, but they only participate in local regattas.

Unfortunately, no international ranking events are planned in Switzerland or even close venues. That is why the national class association has not been able to announce an official Swiss championship this year.
