# NASS Score Breakdown

How each competitor's NASS score is built: best-3 NASS points + regional bonus. Every input is traceable.

NASS score = best 3 NASS event points + regional bonus. The regional bonus =  $\text{ceil}(\text{best-3 SERS} + \text{best-3 QGLC} + \text{best-3 WCCS}) / 3$ : each qualifying regional series is scored separately with its own best-N rule, the three counted totals are summed, and that sum is divided by 3 and rounded up. ECRS and BWS do not contribute unless an event is also tagged SERS, QGLC, or WCCS.

Rank	Driver	Events	Best-3 NASS	SERS	QGLC	WCCS	Reg sum	Reg bonus	NASS score
1	Peter MCCLENNEN	4	64	55	23	0	78	26	90
