Austrian Melges 24 Class Annual Report 2026

2026 was another exciting year for the Austrian Melges 24 fleet.

In June, Segelclub Kammersee at Attersee hosted the Melges 24 Austrian Championships.

As the early season will be quite busy, we were able to move the Austrian Championships to September 2027, thanks to the Segelclub Kammersee's flexibility.

We will try to activate more members for 2027, especially with the World Championships taking place in Croatia.
