2026. Class Report

Membership

Croatian Melges 24 Class Association (CROM24) is the youngest and smallest National Class Association in the IM24CA. We managed to have 19 active boats.

Results

At the European Championship in Norway, we took part with 3 teams, Razjaren (1), Mataran 24 (7), and Panjić (11). We are very proud that team Razjaren managed to defend the European title won in Split 2024. To add to that, team Razjaren won the ESS back-to-back.

Events

CROM24 Cup is still our best product; this year, we managed to attract 4 young teams (U25) to join, as well as a respectable number of foreign teams from Italy, Norway, Great Britain, Hungary, Germany, and Greece. Our plan for the 2027 season is to continue with our CROM24 Cup, with 5 events scheduled in the racing calendar, with two events as part of ESS and the 2027 Melges 24 Worlds.

Future

Our main objective for the future is to keep the stable number of members. Additionally, we are developing additional models to provide more opportunities for young sailors to join the class as part of the CROM24 Cup.
